

How to submit homework on Class Dojo

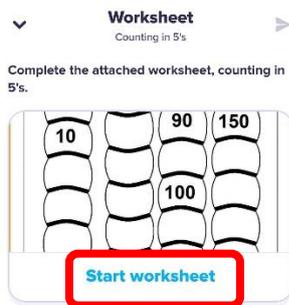

1. Ensure you're logged into your pupil account and click on your class name. In this example 'Willow'.

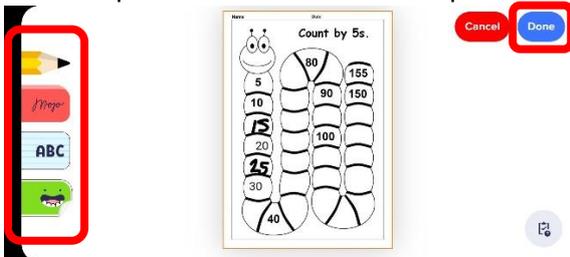

2. If any homework is set, you will see it appear in the 'To Do' section. In this example, the homework 'Counting in 5s' is yet to be completed.

3. Click on the worksheet. It will give you a description of the activity and then click 'start worksheet' to begin.

4. Use the pencil or text tool to complete the sections on the worksheet.

5. When completed click 'Done' and then click the blue arrow to send it to your class teacher.
