

Subject Overview: RE

Intent

We aim to:

Teach pupils about a range of religions so that they develop a knowledge of world religions and how religion impacts on a person's beliefs and daily life.

Ensure that our pupils are socially aware and have a respect for other religions and cultures.

Provide opportunities for pupils to show tolerance and respect of other religions and cultures.

Encourage pupils to share their own experiences so that their peers can respect and value the differences between themselves and others.

Intended Impact:

All pupils in our school are educated so that they develop spiritually, morally, academically and emotionally.

Through the teaching of RE and wider experiences, our pupils better understand themselves and others.

Pupils celebrate the diversity in their community and the wider world.
